CURRENT POSITION

July 2003 - now : Port Economist
[July. 2007-Dec. 2010
on education leave] Ministry of Development, Competitiveness & Shipping, Greece
Division of Public Port Supervision,
Directorate of Port Management & Operations,
General Secretariat of Ports & Ports Policy

January 2009 – now : Research Associate
ITMMA, Institute of Transport & Maritime Management Antwerp,
Ph.D. candidate, Faculty of Applied Economics
Antwerp University, Belgium
Theme: *The economic & managerial dynamics behind port &
terminal competition*
Doctoral Committee: prof. dr. Bruno De Borger (chair)
prof. dr. Theo Notteboom (supervisor)
prof. dr. Thanos Pallis (2nd supervisor)

STUDIES

- **MBA, International Program, 2001**
Specialization in Logistics & Transport Management
Athens University of Economics & Business (AUEB), Greece
- **BSc. in Maritime Studies, 1999**
Department of Maritime Studies, University of Piraeus, Greece

ACADEMIC PRIZES & DISTINCTIONS

Jan. 2007-August 2010: Scholarship (for scientific research project in port economics that will lead to Ph.D.) from the State Scholarships Foundation (Greece)

2001-2002 : Scholarship (full tuition waive assistantship in TRANLOG)
Athens University of Economics & Business (AUEB), (Greece)

2001 : First prize won (for the field study project)
Athens University of Economics & Business (AUEB), (Greece)

1997-1999-2000 : Monetary prize from the State Scholarships Foundation (Greece)
to the best academically student for years 1996-1998-1999

WORK EXPERIENCE

July 2003-now	:	Ministry of Development, Competitiveness & Shipping, Greece
Jan. 2009-now	:	Research Associate, Port Economics, Institute of Transport & Maritime Management Antwerp (ITMMA), Antwerp University, Antwerp, Belgium
Jan. 2007-Dec. 2008	:	Research Associate, Port Economics, Erasmus University Rotterdam, The Netherlands
Dec. 2001-July 2003	:	Administrative coordinator of postgraduate program in Maritime Studies, University of Piraeus, Greece
Feb. 2002 – July 2003	:	Research Associate, Transportation Laboratory, University of Piraeus, Greece

RESEARCH PROJECTS

- **Port Performance Indicators: Selection and Measurement (PPRISM)**
Research project granted by the EC
Research Associate, ITMMA, University of Antwerp, January 2010-December 2011
- **Exploration of the possibility of Organisation of Taxi-drivers in Attiki in Contemporary Union Forms**
Research Center of University of Piraeus, Greece
Research Associate, Transportation Laboratory, February 2002
- **Exploration of the possibility of Market Development of Korinthos Canal**
Research Center of University of Piraeus, Greece
Research Associate, Transportation Laboratory, November '99-February '00
- **Development and Implementation of an Integrated Methodological Framework for Flight Schedule Generation and Airport Capacity and Delay Analysis**
Field Study Project, Olympic Airlines Ground Handling, (master thesis), June-November 2000

ATTENDANCE TO CONFERENCES & SEMINARS

- **European Conference on Shipping & Ports (ECONSHIP)**, 2011 22-24 June 2011, Chios, Greece
- **Asian Logistics Round Table (ALRT) Conference**, 2010 Annual Conference, 2-3 December 2010, Antwerp, Belgium
- **International Association of Maritime Economists Conference** – 2010 Annual Conference, 7-9 July 2010, Lisbon, Portugal
- **International Association of Maritime Economists Conference** – 2009 Annual Conference, 24-26 June 2009, Copenhagen, Denmark
- **World Conference on Transport research Society 2009, Special Group 2 – Maritime Transport & Ports, “Critical Issues in the Port & Maritime Sector”**, 7-8 May 2009, Antwerp, Belgium
- **International Association of Maritime Economists Conference** – 2008 Annual Conference, 2-4 April, Dalian, China

- **Ports in Proximity: Competition & coordination among adjacent seaports**, November 2007, Rotterdam & Antwerp, Netherlands & Belgium
- **International Association of Maritime Economists Conference** – 2007 Annual Conference, 4-7 July 2007, Athens, Greece
- **13th National Conference of Operational Research in Transportation & New Technologies**, 2000, organised by Hellenic Operational Research Society (HELORS), University of Piraeus, 30 November – 1 & 2 December 2000, Greece
